

A Fundamental view of investing

A fundamental view on investing

- **Understand what you want**
 - > **Will you be happy with 10% or 30% return?**
 - > **How much risk are you willing to take?**
- **Your sales is your partner**
 - > **Make sure you communicate your situation and what you want**
 - > **Formulate an investment plan and expectations**
- **Understand your weaknesses**
 - > **Learn from past mistakes**
- **Be rational**
- **Utilize what Trimegah has to offer**
 - > **Fundamental research**
 - > **Technical research**
